

MADAM PRESIDENT

A One-Day Symposium on the Future of Heritage Roses

Sunday, October 21st, 2007 from 9AM to 4:45 PM

Three distinguished women leaders in the world of roses will speak about old roses, gardens, rose people, and their journeys in seeking a better world through plants.

They will be presented by three women leaders of the Heritage Rose Foundation:
Victoria Irwin, Betty Vickers, and Maureen Detweiler

Following their presentations the audience is invited to ask questions of the panel.

The Heritage Rose Foundation will honor the lives and contributions of two women who have led the cause of old roses for more than 35 years with two scholarships named in their honors:

The Barbara Worl Award

The Miriam Wilkins Award

These awards will be bestowed by Barbara and Miriam on a person or persons whom they feel have contributed to the preservation of our heritage of old roses. The Barbara Worl and Miriam Wilkins awards will be given out each year to recognize the many selfless contributions of time and talent happening all over the world on behalf of old roses. Each award will be in the form of a \$1000 scholarship.
